

1, Types of mediums ?

Radio frequency

Electrical signals

light signals

2, Write down switch 8-pins ?

1 +R

2 -V

3 +T

4 +V

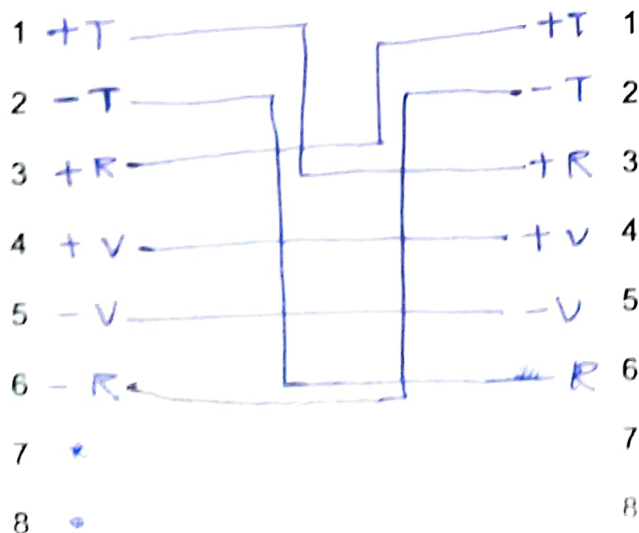

5 -V

6 -T

7 *

8 *

3, Connect utp cable between two devices

4, Explain AUTO MDIX ?

It is use to connect straight to straight cable as well as cross to cross cable.

5, Explain POE injector ?

6, Explain POE switch ?

7, Explain types of nic & function ?

* wired $\begin{cases} \text{copper} \\ \text{fibre} \end{cases}$

* wireless

copper: It is use to convert binary to Electrical signal as well as Electrical signal to binary

fibre: It is use to convert binary to light signal as well as light signal to binary

wireless: It is use to convert binary to Radio frequency as well as Radio frequency to binary.
